5-7 Magh (18-20 January 2026)

The Three-Day Workshop on Professional Development, facilitated by Central Department of Education FWU, supported by UGC Nepal Equity grant held from January 19 to 21, 2026, focused on good administration, account keeping, and science laboratory management for university staff. Mr. Yagya Raj Joshi, Head Central Department of General Science chaired the event, with Professor Yagya Raj Pathak former registrar, FWU as chief guest and Prof. Dr. Bhawani Chand Thakuri former dean FOST, FWU as special guest. Mr. Krishna Prasad Pant delivered the welcome speech, and Mr. Madan Singh Bohara served as host. Over 23 staff members from seven central departments participated. More than 12 resource persons shared expertise on administration, accounting, and laboratory management. On the final day, Associate Professor Prem Singh Saud, Dean of the Faculty of Science and Technology at FWU, distributed certificates to participants, marking the successful completion of the workshop.
